OPENING CEREMONY

The Opening Ceremony will take place on Wednesday, 22nd August 2018 at approx. 16.00hrs on the site of the regatta venue. Further details will follow in Bulletin no. 2.

ENTRY CONDITIONS

Each country may enter one crew per competition class as detailed below. **Teams from countries where there is not an EDBF Member may compete subject to the agreement of the EDBF Executive Committee.**

COMPETITION FORMAT

The Championship will be conducted according to the IDBF Competition Regulations and IDBF Rules of Racing by IDBF International Race Officials and German National Officials, under the direction of an IDBF Chief Official and with a Jury nominated by the EDBF Executive Committee.

REGATTA COURSE

The regatta venue measures 2000m x 100m with a minimum depth of 3.5m. Two starting shoe systems will be used with a fixed start tower at each starting position. Photo finish and race controlled processing of results are provided on site at the target tower. BOATS AND EQUIPMENT

IDBF licensed BuK boats will be provided by the Championship organisers. Competing crews will be expected to bring their own paddles that conform to the IDBF Paddle Specification 202a.

CLASSES AND DISTANCES

Races will be held for the following Racing Classes.

* The 1000m races will only be available for Standard boats in open, mixed and women's classes. This is to encourage countries to enter the standard boat division. The results from the 1000m will be used as the starting order for the 2000m races with the fastest team starting first.

Due to the lack of entries in recent years for the Junior A, B and C Racing Classes we will only be running with one class known as "**Juniors**". This has been done to encourage a larger entry class.

Entries for Juniors, Under 24 and Senior C will only be accepted for STANDARD BOAT MIXED and for SMALL BOAT OPEN & WOMEN. If the EDBF receives written requests and formal entries for the compressed classes from a minimum of 4 Countries, we will consider reinstatement of the classes (Standard Open/Women and Small Mixed Junior A, Junior B, Under 24 and Senior C).

COMPETITION REGULATION AND RACING RULES

The Championships will comply with the IDBF Competition Regulations and will be conducted under the IDBF Rules of Racing which can be found at www.edbf.org/library.

The Championship Divisions, Racing and Competition Classes that will be contested are listed above. In all competitions to qualify for a European Championship status at least four (4) entries from different countries per competition class are required. Competition Classes with three (3) entries or fewer will be placed in the next younger (senior class) or next higher (junior class) age group and participate in the competition with no separate rating.

The Small Boat Championships. A basic rule is that crews that do enter a small boat open and small boat women, are only eligible for a mixed standard boat in the same race distance.

Crews are also allowed to enter the standard boat and small boat divisions in the same category, but must have separate racers in both.

Double rostering of paddlers between Divisions is discouraged. Helms and Drummers may be used across the Divisions (re: rules for Juniors and Seniors) but in the case of 'back to back races', the officials will NOT delay races to accommodate the transfer of Helms or Drummers. Note, drummers and helms are not allowed to pass from boat to boat on the water i.e. outside the marshalling area.

EUROPEAN CHAMPIONSHIPS – REPRESENTATION AND NATIONALITY

IDBF Competition Regulation 4

CR 4.1 Representation

To represent a country in an EDBF Championship for Representative Crews, a Dragon Boat Competitor must normally be a citizen of or born in the country represented and be able to prove this by showing an official document, such as a Passport, Identity Card, Birth Certificate, or the like.

Dual Nationality

Competitors with dual nationality (citizenship) may represent the Country or Territory of their Birth or their dual citizen Country or Territory, whichever of these they are residing in, providing that they have been resident in that Country or Territory for a current period of at least 3 years. Competitors who do not meet these requirements must comply with Regulation 4.2 or 4.2a.

CR4.2 Country or Territory Residence

Dragon Boat competitors who have left their country of birth and are a permanent, not a temporary resident in another country may represent that country if they have lived there for a current period of three (3) years or more and have not represented their country of birth, during the previous two (2) years.

Temporary Residency

A Temporary Resident, for the purposes of this Regulation, is a person who resides in a Country by virtue of holding a visa, for example a visitors visa, student visa, work visa or the like. The EDBF considers such visas to indicate a 'temporary' residency in the Country concerned, not a permanent residency.

- a. Exceptionally, competitors who have a permanent residential qualification of less than 3 years and who have not represented an EDBF Member previously, may with the permission of both their birth and residential EDBF Member, apply to the EDBF Executive Board for permission to compete for their country of residence. When permission is given, the competitor concerned will not be allowed to compete for any other Country for a minimum period of 2 years following the year in which the permission was given.
- b. (4.2) Competitors who, by marriage have acquired the nationality of another country may compete for that country without delay.

PERSONAL SAFETY

All crew members must be water confident and ideally be able to swim at least 50m. It is the Crew Manager's responsibility to ensure that this limitation is complied with, and to ensure that known weak swimmers wear personal flotation aids. Crews compete entirely at their own risk and must be 'Fit to Race', as defines in the IDBF Competition Regulations.
