Dear Friends,

The Florence Dragon Lady are happy to announce the dates of the 4th edition of the Florence Dragon Boat Pink Meeting, on **30-31 May 2015**. It is the weekend immediately following the Vogalonga in Venice (24 May 2015) to allow teams who come from overseas to combine the two events and make a wonderful trip to Italy between dragonboat and tourism.

For the year 2015 we want to involve as many teams from all over the world as possible, to meet friends again after Sarasota 2014. It will be days of meetings on the subject of dragonboating and BCS rehabilitation and dragonboat regattas for BCS teams and their supporters (family, friends, etc..) in the beautiful Florence framework, cradle of the Renaissance art.

For the moment we announce the dates of 30-31 May 2015, in order to allow you to plan your participation, insert the event into the calendar of your activities, find airline and accommodation at the most convenient price. In the coming months we will send more detailed programs and publish them also on our website www.florence dragon lady.it and on our facebook LILT Florence Dragon Lady.

**All Breast Cancer Survivors Teams
are welcomed!!!!**

Stay in touch with us and we greet you warmly
